- (2) In accordance with legal regulations, the Company may also submit information to bearers of listed share certificates by means of remote date transmission.

#### **II. Share Capital and Shares**

##### **Article 4 Amount and Composition of Share Capital**

- (1) The Company's share capital amounts to €8,385,088.00 (in words: eight million three hundred and eighty-five thousand eighty-eight euros). The share capital is composed of 8,385,088 (in words: eight million three hundred and eighty-five thousand eighty-eight) no-par value shares. The original share capital of €7.985.088 was provided by means of a change in legal form of Tipp24 AG to Tipp24 SE through the merging of Egela Beteiligungsverwaltungs AG, Vienna, Austria, with Tipp24 AG.
- (2) The Executive Board is authorised, subject to the approval of the Supervisory Board, to increase share capital in the period up to 28 June 2016 by up to a total of €1,197,017 (in words: one million five hundred and ninety-seven thousand and seventeen euros) by issuing on one or more occasions in whole or in partial amounts new no-par value shares in return for cash or contributions in kind (Authorised Capital 2011/I). Shareholders shall be granted subscription rights. The new shares can also be accepted by one or several credit institutes with the obligation to offer them to shareholders (indirect subscription right). However, the Executive Board is authorised, subject to the approval of the Supervisory Board, to exclude the rights of shareholders to subscribe in the following cases:

- 
- (a) to eliminate fractional amounts from subscription rights;
  - (b) in order to raise share capital in return for contributions in kind, providing the shares issued for contribution in kind during the term of Authorised Capital 2011/I under exclusion of shareholders' subscription rights due to this authorisation do not exceed 10% of the Company's share capital at the time the authorisation becomes effective or – if this value is lower – at the time this authorisation is exercised;
  - (c) to grant subscription rights to holders of options, convertible bonds or convertible profit participation rights that are to be issued;
  - (d) for capital increases in exchange for cash contributions, if the issue price of the new shares is not significantly lower than the market price of shares carrying the same rights at the time the issue price is fixed. The shares issued under exclusion of shareholders' subscription rights, pursuant to Sections 203 (1), 186 (3) Sentence 4 AktG, due to this authorisation shall not exceed 10% in total of the Company's share capital at the time the authorisation becomes effective or – if this value is lower – at the time this authorisation is exercised. The limit of 10% of the Company's share capital is reduced by such proportion of the Company's share capital that is represented by any treasury shares held by the Company which are sold during the term of Authorised Capital 2011/I under exclusion of shareholders' subscription rights pursuant to Sections 71 (1) No. 8 Sentence 5, 186 (3) Sentence 4 AktG. The limit is also reduced by such proportion of the Company's share capital that is represented by those shares to be issued in order to service convertible bonds or bonds with warrants, with option or conversion rights or option or conversion obligations, providing the bonds are issued during the term of Authorised Capital 2011/I under exclusion of subscription rights in corresponding application of Section 186 (3) Sentence 4 AktG.

The Executive Board is authorised, with the consent of the Supervisory Board, to determine the further details of the implementation of the capital increase and in particular the details of the rights conveyed by the shares and the terms and conditions of the share issue. The Supervisory Board is authorised to amend the text of the Company's Articles after the capital increase from Authorised Capital has been fully or partially implemented or on expiry of the authorisation's term in accordance with the scope of the capital increase from Authorised Capital.

- (3) The share capital has been contingently increased by €150,000 (Contingent Capital 2011/II). Contingent Capital 2011/II serves the purpose of securing subscription rights from stock options issued by the Company on the basis of an authorisation adopted on 29 June 2011 as part of the Stock Option Plan 2011. The contingent capital increase will only be implemented to the extent that the bearers of these stock options exercise their option rights and the Company does not grant treasury shares or a cash payment in order to satisfy the stock options. The new shares are entitled to profits from the beginning of the business year for which, at the time of the new shares being issued, the Annual General Meeting has not yet adopted a resolution regarding the appropriation of net earnings.
- (4) The share capital has been contingently increased by a further €10,000 (Contingent Capital I). Contingent Capital I serves to ensure that subscription rights can be exercised for stock options to be issued by the Company between 1 January 2006 and 31 December 2010 (inclusive) under the 2005 stock option plan, on the basis of the authorising resolution of 7 September 2005. The contingent capital increase will only be implemented to the extent that the holders of these stock options exercise their option rights and the Company does not grant its treasury shares or make a cash payment in order to satisfy the stock options. The new shares carry dividend rights from the beginning of the financial year for which no resolution has been passed by the Annual General Meeting on the appropriation of net retained profits at the time the new shares are issued.
- (5) The shares shall be issued as registered shares. The shareholders shall be entered in the share register.
- (6) If the resolution on a capital increase does not specify whether the new shares should be bearer or registered shares, they shall be registered shares.
- (7) The Executive Board, with the approval of the Supervisory Board, determines the type of share certificates, coupons and renewal coupons, as well as bonds and interest coupons. The right to

individual or multiple certification of shares is excluded to the extent that this is permitted by law and where a certification is not required in accordance with the regulations of a stock market to which the shares have been admitted for trading. The Company is entitled to issue share certificates incorporating one or more shares in return for a reimbursement of the costs.

The financial year in which their term of office begins is not included. The Annual General Meeting may specify a shorter term of office. Where a successor is appointed for a member who has retired from the Supervisory Board before the end of his or her terms of office, the appointment is for the remaining term of the member who has retired, unless the General Shareholders' Meeting specifies a different term of office.
- (3) When a Supervisory Board member is appointed, a substitute member may also be appointed to replace this member if he or she retires before the end of his or her term of office without a successor being appointed. The term of a substitute Supervisory Board member expires as soon as a successor for the retired Supervisory Board member has been appointed, at the latest with the expiry of the retired member's term of office.
- (4) The members and substitute members of the Supervisory Board may resign from their office by addressing a statement in writing to the Executive Board, and notifying the Chairman of the Supervisory Board, giving four weeks' notice. The Chairman of the Supervisory Board – or the Deputy Chairman, in the case of the Chairman's resignation – may declare a reduction in or waiver of the notice period. This also applies mutatis mutandis in the case of judicial appointments. If the Chairman or the Deputy Chairman retire from their posts before the end of their terms of office, the Supervisory Board must hold a new election for the remainder of the term of the retiree.

The Chairman of the meeting determines the order of discussion of the agenda items, as well as the type and order of the voting.

**Article 13  
Resolutions**

- (1) Resolutions by the Supervisory Board are generally passed at meetings. The Chairman of the meeting determines the order of discussion of the agenda items, as well as the type and order of the voting. If an agenda item has not been duly announced, it may only be resolved if no Supervisory Board member present at the meeting objects. If no present Supervisory Board member objects, absent Supervisory Board members shall be given the opportunity in this case to submit their votes, within an appropriate period to be determined by the Chairman of the meeting, in writing, by fax, by e-mail, or via another common telecommunication medium, or to object to the resolution in the same form. The resolution shall only come into effect if the absent Supervisory Board members have agreed to the resolution before the end of the specified period or have not objected to it at the end of such period.
- (2) Outside the meetings, resolutions are permitted by way of votes cast verbally, by telephone, in writing, by fax, by e-mail, or by another common telecommunication medium, if the Supervisory Board Chairman specifies this in individual cases. and can discuss the item for resolution. Resolutions passed in mixed form shall be confirmed in writing by the Chairman of the meeting and circulated to all members.

- (5) Within a meeting, votes on agenda items may be repeated. In the case of a resolution that differs from the previous vote, the previous vote is deemed not to have taken place. Another repetition of the vote in the same meeting is only permitted if all Supervisory Board members present at the previous vote(s) agree.
- (6) The resolutions of the Supervisory Board require a majority of the votes cast, unless another majority is stipulated by the Articles of Association or by law. Abstentions are not counted as votes. In the event of a tie, the Chairman has two votes in a second vote on the same matter if a tie also results. This also applies to elections.

- (4) Remuneration pursuant to subsection (1) shall be payable after the completion of the Annual General Meeting at which the annual financial statements for the respective fiscal year are submitted or which resolves on the approval thereof.

Unless otherwise prescribed by law, amendments to these Articles require a majority of two thirds of votes cast or, providing half the share capital is represented, a simple majority of the votes cast. Insofar as the law provides for a capital majority in addition to the majority of votes cast, a simple majority of the share capital represented at the time of resolution is sufficient, providing it is legally permissible.
